1. REVISIONS TO THE APPLICATION FOR STREET BLOCKING PERMIT, AND APPLICATION FOR SPECIAL PARADE PERMIT

The Application for Street Blocking Permit and the Application for Special Parade Permit have been revised. The revised forms reflect the new address for the Special Events Unit, include updated insurance requirements, prompt for an email address in the contact information sections, and contain additional language at the request of the Traffic Engineering Department and City Solicitor's Office. Both applications have also been updated with the City of Cincinnati branding logo as well.

The Application for Street Blocking Permit and the Application for Special Parade Permit are available in the CPDFORMS folder on the H: drive of Department computers, and on the Department's internet web page. These forms will not be pre-printed and stocked by Supply Unit.

2. DEPARTMENT WIDE SURVEY FOR STRATEGIC PLANNING PROCESS

Planning Section is currently working on the Department's strategic planning process. The first phase of this project occurred with the organizational meeting held in March of this year. At that time, information was gathered from discussions with various Department personnel. The second phase of the project involves gathering input from the entire organization. To do this in the most efficient manner possible, a survey tool was designed by the Northern Kentucky University Executive Leadership and Organization Change (ELOC) Team. The ELOC team identified a number of labels, or themes, which are critical to the Department mission and then structured the 35 survey questions around those identified areas.

Due to the time constraints for the ELOC team, the survey responses must be completed by all Department personnel before 1700 hours on Tuesday, July 17.

3. VOLUNTEER MENTORS NEEDED FOR NEW VETERANS' TREATMENT COURT

The Cincinnati Police Department is partnering with the Hamilton County Municipal Veterans' Treatment Court to launch a mentoring program for veterans in our community. Many of our military veterans are returning home from combat service around the world. Unfortunately, some of the issues associated with combat may potentially cause those that have served to engage in a cycle of criminal behavior.

Volunteer mentors are needed to assist the veteran through the court system and to provide the support and intervention necessary for successful adaptation to their new environment. Volunteer mentors will partner with a veteran to offer support during their adjustment period and assist with the court treatment program and Veteran's Administration. Most importantly, the volunteer mentor will be a friend and ally through a difficult time for a Soldier, Airman, Sailor or Marine.

The commitment to the program merely requires the volunteer officer to attend court proceedings and be able to provide periodic follow up with the involved veteran. This is a rewarding program that welcomes all volunteers. Military Veterans, especially those with combat experience, are encouraged to volunteer for this very important program. Veterans' Court programs are highlighted in an article written by Mr. Ken Olsen, in the July 2012, American Legion Magazine. The article is available for the public to view on the Internet at the following web address: <http://www.legion.org/magazine/199513/restorative-justice>

If you are interested in volunteering, or would like more information about the program please contact Sergeant Eric Davis, Planning Section, at 352-2953 or eric.davis@cincinnati-oh.gov.

4. COMPLETING FORM 534, FIELD INTERVIEW REPORT/CONTACT CARD

The Department Form 534, Field Interview Report (FIR)/Contact Card portion of the RMS Database requires numeric addresses, not intersecting cross streets for the location field. For example:

- **1234 Main St.** not 12th & Main, or
- **NB I71 @ 3mm** not NB I71 @ Dana

The numeric address requirement is the same with other department reports (NIBRS, MUTT, 527, etc.) location fields.

Records Unit reminds personnel to use specific numeric addresses, NOT intersections, for the location field when completing FIR/Contact Cards.

5. RCIC PASSWORD SECURITY ENHANCEMENTS

The Regional Crime Information Center (RCIC) has informed the Police Department of required security enhancements as a result of a recent NCIC technical audit. The security enhancements are directly related to password access to the **eClear** and **MobileCop** applications, and will become effective at **0700 hours on July 17, 2012**. All new passwords must meet the following criteria:

- Be a minimum of eight (8) characters
- Be comprised of letters, numbers, and special characters (!, @, #, <, \$, etc.)
- Not be a dictionary word or proper name
- Should not contain the user's account name or display name
- Shall expire within a maximum of sixty (60) calendar days (no grace logins are permitted)
- Must not be identical to the previous ten (10) passwords
- Cannot be changed more frequently than once every ten (10) days

Personnel will not be immediately prompted to change their passwords. All current passwords will continue to work until reaching expiration. Personnel will then be prompted to create a new password, which must conform to the enhanced password criteria.

Personnel requiring assistance may utilize the following options:

- Contact the CLEAR support staff during normal business hours at 352-6448
- Utilize the RCIC website link, via the CLEAR enabled terminals
- Contact a Police Department Authorized Administrator (link on Intranet)

6. USE OF THE M-DRIVE SHOOTING FOLDER TO DISCONTINUE

Effective immediately, the Department is discontinuing the use of the M-Drive Shooting Folder.

Technology and Systems Section has completed Electronic Case Folder Training for personnel assigned post incident investigation responsibility. Investigative personnel are required to now utilize the Records Management System (RMS) for entries related to shooting offenses. Performance and capabilities contained within RMS have been validated and are superior to use of the M-Drive. This transition to the use of RMS will enhance Department operations.

7. COMPSTAT INFORMATION

[Attached](#) to these Staff Notes is the most current COMPSTAT Information. Department personnel are directed to review this information to ensure they remain familiar with crime patterns and trends occurring within the City and their areas of responsibility.

8. THANK YOU LETTERS

[Attached](#) to these Staff Notes are letters of appreciation and praise written to the Police Chief for the professionalism displayed by our Department, specifically the following personnel:

Captain Paul Neudigate
Sergeant Jeffery Hunt
Police Officer Timothy Lutz

Sergeant Patrick Caton
Police Officer Lisa Johnson
Police Officer Larry Brown

Subject: Thanks to Sgt Caton & Ofc Lisa Johnson

Dear Captain Neudigate,

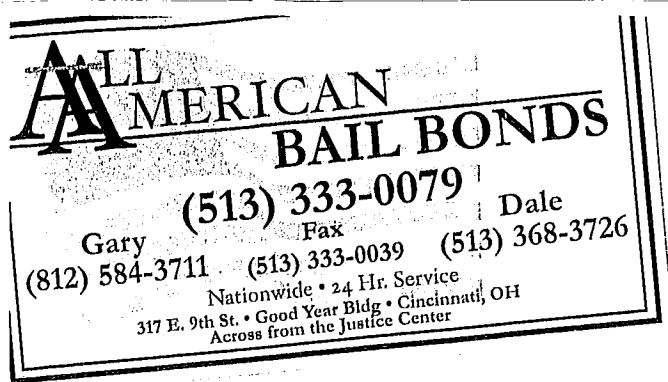

We would like to extend special thanks to Sergeant Patrick Caton for the response we received from him following an event near our house in late May 2012. Our neighborhood has been fighting drug and prostitute activity for the last few years, and during the last week of May we reported a car with three occupants unknown to neighbors that were acting suspicious. We believed it to be drug related activity and reported it immediately. Three police cars quickly responded to the scene. After talking to the suspicious people two were arrested and one was released.

What was really appreciated by us and our surrounding neighbors was that Sergeant Caton remained after all of the activity was over to tell us how district five was trying to proactively lessen prostitution and drug activities brought into the CUF community from surrounding neighborhoods. Sergeant Caton took the time to talk with us and answer questions. His pleasant attitude and demeanor left us feeling much better about living here and we saw how district five police are protecting our homes and neighborhood. He reinforced what our Neighborhood Liaison Officer Lisa Johnson has reported at our neighborhood council meetings. Officer Johnson deserves our special thanks too. She has responded many times during the last year to reports of prostitution activity from an apartment unit at Coy St and a scrap man breaking into a neighboring property.

We would be happy to copy this letter to anyone else that will recognize their hard work and dedication to our community.

Sincerely,

Cherie and Paul Wallpe

Dear Chief James Craig,

On December 31, 2011 we bonded a subject by the name of Karl King. On May 1, 2012 King failed to appear in court on bond. A capias was issued on King for the arrest and detention of same.

At this time we began looking for subject. After numerous hours of surveillance and investigation our leads were exhausted. At this time we contacted Jeff Hunt and asked if his team and himself could be of any assistance in the arrest of subject. Approximately three days later they had subject in custody.

We want to commend Jeff Hunt and his team for the excellent work they did with assisting in the arrest of Karl King. We would like to commend the Cincinnati Police Department for their effort and excellent work they performed by taking this subject off of the streets. If we can assist you in any way possible please contact us.

Thank you again, and we look forward to working with you in the future.

Regards,

Dale Lanning, Gary Good, and Angeline Rockeman

Dear Captain Neudigate:

Northside's COP wants to express its deepest gratitude for all of the time and effort that Officer Lisa Johnson has spent remediating graffiti in our neighborhood and the city at large.

Officer Johnson has met with us many times over the last year to discuss the latest developments in graffiti cases and has diligently collected dozens of photos she has taken as well as photos we've taken to present as evidence in court. Some of the most recent convictions, such as Steven Hilton, Jake Oglesby, and Joshua Smith, would not have been possible without Officer Johnson's dedication and persistence.

We appreciate the zeal with which Officer Johnson pursues her duties and the invaluable professional partner she has become to COP and Northside in our fight against graffiti.

Thank you for your time and consideration.

Sincerely,

Mollie Ferrigan Brumm

Dear Chief Craig:

On June 28, 2012 two bike officers from District 5, Officer Tim Lutz and Officer Larry Brown, attended our Bike Day at the College Hill Farm Market. They answered questions about legal issues and safety for bicycle riders in Cincinnati, and they gave informative coloring books and whistles to the kids who attended. Their participation continued to build the positive relationship between the Cincinnati Police Department and members of our community.

This is the third year Cincinnati bike officers have participated in our Bike Day. Thank you and Captain Paul Neudigate for allowing the participation of Cincinnati bike officers in Bike Day. We at the College Hill Farm Market look forward to similar collaboration in the future.

Sincerely,
